# L'HISTOIRE.

*the story.*

## POUR SE LANÇER PLEINEMENT PARFOIS IL FAUT OSER !

Après un cursus juridique et grâce à une expérience professionnelle de plus de 10 années dans l'univers de la décoration de la maison en France et à l'international, j'ai décidé de passer à l'action en créant la marque Pôdevache. Mon idée était de concilier l'univers de la décoration et de la mode afin d'apporter du bonheur et de créer un sentiment de bien-être !

Créées et fabriquées en France, nos collections sont dessinées à la main, pensées et réalisées en équipe; c'est une fusion de mille idées et mille projets ! Le vinyle se décline à l'infini sur tapis et arts de la table. Et notre collection textile maison trouvera place aussi bien dans votre intérieur que dans votre extérieur. Et comme on adore affirmer notre personnalité jusque dans les moindres détails, le style Pôdevache s'invite également sur vos murs et vos bougies ! Nos designs sont le reflet d'une identité visuelle forte et décalée, tout simplement d'un véritable état d'esprit...

**« SOYEZ VOUS-MÊME,  
TOUS LES AUTRES SONT DÉJÀ PRIS »  
(OSCAR WILDE)**

***To get fully started sometimes you need to dare!***

*After a legal course and thanks to a professional experience of over 10 years in the world of home decoration in France and abroad, I decided to create the brand Pôdevache. My idea was to reconcile the world of decoration and fashion to bring happiness and create a feeling of well-being!*

*Designed and created in France, our collections are hand-drawn, thought and created in a team spirit; it is a fusion of a thousand of ideas and projects!*

*Vinyl can be declined in infinite carpets and tableware. Our home textile collection will be easily integrated in your house and outside area. And as we love to assert our personality down to the smallest detail, the style Pôdevache is also on your walls and your candles ! Our designs are a reflection of a strong and offbeat visual identity, it is simply a true state of mind...*

*Do not be afraid to show who you are !*

***« Be yourself, everyone else is already taken » (Oscar Wilde)***

L'Afrique, c'est notre source d'inspiration n°1 ! On adore coupler les motifs wax et les silhouettes géométriques modernes avec des couleurs plus rétro, pour un look chic et actuel. Alors, vous partez en voyage avec nous ?

Embarquez dans notre jardin botanique ! On ne se lasse pas des gravures foisonnantes rehaussées de nuances de vert variées. D'un émeraude profond à des camaïeux de kaki, on aime la nature sous toutes ses formes et toutes ses couleurs !

*Embark in our botanical garden!  
We never tire of the abundant engravings enhanced with various shades of green. From a deep emerald to shades of khaki, we love nature in all its forms and colors !*

# WILD AT HEART

BEAUMONT®  
by  
PÔDEVACHE®

Tout coeur sauvage ne se laisse pas facilement dompter ! Notre amour pour la nature est plus fort que tout, et on n'hésite pas à le clamer haut et fort avec des motifs imposants et pleins de couleurs, mêlant animaux et végétaux.

*A wild heart is not easily tamed! Our love for nature is stronger than anything, and we don't hesitate to proclaim it loud and clear with imposing and colorful patterns, intermingling plants and animals.*

# ETHNIC GEO

BEAUMONT®  
by  
PÔDEVACHE®

Des motifs ethniques ancestraux revisités avec des lignes épurées et géométriques, tout ce qu'on aime ! En total look noir et blanc, ils apportent la touche graphique qui manque à notre intérieur, tout en restant intemporels.

*Ancestral ethnic patterns revisited with clean, geometric lines, all that we love! In total black and white look, they bring the graphic touch that is lacking in our interior, while remaining timeless.*
